Payroll Office

All salary or additional/overtime pay to be charged to FY 2019 must be paid through the normal payroll cycles prior to July 1, 2019. Personnel Information Forms (PIF's) and pay adjustment forms to be reflected on the June monthly payroll must be received in the Campus HR/Payroll Office by Friday, June 14th. PIF's for the biweekly pay period ending June 23 are due Wednesday, June 19th.

To be included in the current fiscal year, send payroll checks to be cancelled and salary transfer vouchers to the University Payroll Office by noon Friday, June 14th. Longevity paid in June includes both May and June longevity. The Controller's Office will record wages and benefits in period 12 for the June earnings of the biweeklies paid on July 2nd and 16th and amounts owed to 9-month employees paid over 12 months.

Effort Certification

A final FY2019 payroll will be run on Friday, July 5, 2019 to process June ECR's and salary transfers.

Cash Receipts

Funds must be recorded in the fiscal year they are received. Funds received in University offices prior to the close of business on June 30 must be deposited on separate bank deposit slips and forwarded with a separate Report of Collections (ZK document) dated June 30, 2019, to be received in the Campus Cashier's Office (Bursar) no later than Wednesday, July 3, 2019 by 9:00 a.m., preferably earlier. Funds received in University offices beginning July 1 and later will be deposited to fiscal year 2020. It is critical that separate bank deposit slips and Report of Collections (ZK document) be processed for funds received after July 1, 2019.
