

**THE UNIVERSITY OF TENNESSEE SYSTEM**

CONTROLLER'S OFFICE

**TO:** Chief Business Officers  
**FROM:** Mary Carr McDonald, Controller *Mary Carr McDonald*  
**DATE:** April 14, 2022  
**SUBJECT:** Year-end Closing Procedures and Schedule

Enclosed is the schedule for processing year-end documents for June 30, 2022. This schedule is provided for your information and guidance as you schedule the year-end activities in your areas of responsibility. A pull-off reminder schedule is included as the last page of this document for your convenience. Please remember that our objective is to record all revenues, disbursements and encumbrances in the proper fiscal year.

**Payroll Office**

All salary or additional/overtime pay to be charged to FY2022 must be paid through the normal payroll cycles prior to July 1, 2022. Personnel Information Forms (PIF's) and pay adjustment forms to be reflected on the June monthly payroll must be received in the Campus HR/Payroll Office by **Wednesday, June 15.** PIF's for the biweekly pay period ending June 19 are due **Wednesday, June 15.**

To be included in the current fiscal year, send payroll checks to be cancelled and salary transfer vouchers to the University Payroll Office by noon **Wednesday, June 15.** Longevity paid in June includes both June and July longevity. The Controller's Office will record wages and benefits in period 12 for the June earnings of the biweekly paid on July 12 and amounts owed to 9-month employees paid over 12 months.

**Effort Certification**

A final FY2022 payroll will be run on Friday, July 1, 2022 to process June ECR's and salary transfers.

**Cash Receipts**

Funds must be recorded in the fiscal year they are received. Funds received in University offices prior to the close of business on June 30 must be deposited on separate bank deposit slips and forwarded with a separate Report of Collections (ZK document) dated June 30, 2022, to be received in the Campus Cashier's Office (Bursar) no later than **Wednesday, July 6, 2022** by 9:00 a.m., preferably earlier. Funds received in University offices beginning July 1 and later will be deposited to fiscal year 2023. It is critical that separate bank deposit slips and Report of Collections (ZK document) be processed for funds received after July 1, 2022.

**Accounts Receivable**

Please remember to ask all your departments to register any accounts receivable with your office. Please instruct all departments in how to handle outstanding June 30 accounts receivable balances at year end, regardless of whether the department has an existing receivable account in IRIS. Also, please remind all departments of the requirements for writing off accounts receivable. All write off requests must be received in the Controller’s Office by **July 8**.

**Accounts Payable Office**

**Invoices Entered by Departments:** All items that are to be charged to fiscal year 2022 must be entered and fully approved by midnight on July 12, 2022. Any items that require final approval by UTSA’s Accounts Payable Office must be entered and approved by the department by **July 6, 2022**. The “Posting Date” field on the “Enter Vendor Invoice” screen **must be changed to 06/30/2022** for items entered into IRIS after June 30, 2022, that are to be charged to fiscal year 2022. Items entered on or after July 1, 2022, will be charged to the new fiscal year if this posting date is not changed to 06/30/2022. The screen below identifies the correct field to change.

During the fiscal year transition, a department may occasionally encounter date restrictions for invoicing against purchase order commitments. The general rule is that a commitment and the liquidation of that commitment must be in the same fiscal year, so that an FY2023 invoice cannot be entered against an FY2022 purchase order (PO) until the PO has been carried forward into FY2023. The department can either change the *Posting Date* of the invoice to 06/30/2022 (to post into FY2022) or hold the invoice until the commitment has been carried forward. Conversely, an FY2022 invoice cannot be entered against an FY2023 PO. The posting date on the invoice must be changed so that it will post to FY2023 as well.

**Items Entered by the UTSA's Accounts Payable and Travel Offices:** All travel related invoices, invoices in foreign currencies and other disbursement items normally sent to Accounts Payable for processing must be received in the UTSA's Accounts Payable Office by the close of the third working day in July, which is **Wednesday, July 6**. The final processing of these documents will be the seventh working day of July, or **Tuesday, July 12**.

**Items Routed to and approved by Campus Business Offices/UTSA's Accounts Payable and Travel Offices:** All items reviewed and approved by Campus Business Offices and/or the Accounts Payable and Travel Offices (CONCUR travel transactions, 95xxxxxxx contract invoices, miscellaneous reimbursements, T-27 without contracts, etc.) must be in the IRIS inboxes of the CBO/AP/Travel Offices by the close of the third working day in July, which is **Wednesday, July 6**. The final processing of these documents will be the seventh working day of July, or **Tuesday, July 12**.

**Procurement Cards:** The June cutoff date for purchases made by departmental procurement cards will be **June 24, 2022**. **Purchases made near to or on June 25 are not guaranteed to be posted to June.** The final date to distribute charges through the procurement card system for the June purchases will be **July 12, 2022**. The procurement card default account will be charged for all purchases if you are unable to access the procurement card system and distribute and approve the charges by that date. Procurement card purchases made after the billing cycle ends will be charged to the new fiscal year.

**Petty Cash:** Petty cash funds should be reconciled frequently to ensure that the cash on hand and expenditure receipts equal the amount of the petty cash fund. In addition, the fund must be reconciled at the end of each fiscal year (June 30). Departments will receive a letter, reconciliation forms, and instructions at year end. The forms need to be completed with attached copies of vouchers in transit, bank account statement, and any other information pertaining to the reconciliation. To avoid suspension or fund closure, please submit these forms to the Accounts Payable Office by **July 12**. Petty cash funds are subject to audit by university and state auditors.

**Travel:** Any travel ending July 1, 2022, or later, will be charged to FY2023.

**Chief Business Officers should arrange for frequent submission of items ready for processing and immediately initiate procedures to obtain proper resolution and disposition of "problem items."**

### **Undelivered Checks**

Undelivered Checks that will be more than twenty-one (21) days old at June 30 should be returned to the Office of Finance with the returned envelope. These checks should reach the office indicated below no later than **Wednesday, June 15, by noon.**

Payroll Checks: Must be returned to the Payroll Office, UT Tower #912, 505 Summer Place.

Voucher Checks: Must be returned to the Accounts Payable Office, UT Tower #1015C, 505 Summer Place.

Miscellaneous Checks: All financial aid checks and other miscellaneous checks must be returned to the Accounts Payable Office, UT Tower #1015C, 505 Summer Place.

### **Controller's Office**

The schedule established for the various stages of the year-end closing process by the Controller's Office is as follows:

1. Departments may run an "interim" ledger for June 30th at the close of business on Friday, July 1 using IRIS transaction ZDEPT\_LEDGER.

The interim ledger will include:

- (a) Invoices which have been entered through Thursday, June 30.
- (b) Interfaces which have been processed through Thursday, June 30.
- (c) Regular internal transfer documents (ZDs) which have been processed through Thursday, June 30.
- (d) SA documents which have been processed through Thursday, June 30.
- (e) Salary transfer vouchers received by Wednesday, June 15 will be included in this report.
- (f) Payroll vouchers including the biweekly payroll for the pay period ending June 19, paid on June 28.
- (g) Cash receipts (ZK documents) to the extent they have been accepted for posting. This should include all ZKs except for June 30.
- (h) Interim F&A and settlement as of the June monthly payroll posting.

Chief Business Officers

April 14, 2022

Page 5

The "interim" ledgers should be reviewed so that any necessary corrections and/or adjustments can be processed in time to be reflected in accounting period twelve.

2. June 2022, period 13, and July 2022, period 1 of FY2023, will be opened June 19 for purchasing and financial transactions. New year items in hand should not be processed in IRIS until this date.
3. The Accounts Payable office will delete or carry forward all remaining financial payment documents (KN's, RN's, ZU's etc.) on July 13.
4. Any FY2022 parked internal transfers (ZD documents) still on hand at July 13 will be deleted.
5. The accounting close for the month of June (period 12) is scheduled for the fourteenth working day of July, or Thursday, July 21.

Departments may print final June 30, period 12 monthly ledgers and reports when notified by the Controller's Office. These ledgers will include all regular June (period twelve) transactions for the fiscal year that were generated by invoices, payrolls (including accruals), salary transfers, cash receipts, and all purchasing activity. Internal transfers and journal entries will be included to the extent that they are processed through the Office of Finance by Tuesday, July 12.

**Accounting period 13 is designed for final adjusting and closing entries only. Regular business transactions should be completed by the close of period 12.**

6. After the close of June, period 12, only corrections, adjustments, closing transfers and journal entries will be accepted for processing against the current fiscal year records. "Current Unrestricted Funds Balance Sheet", Schedule A-10.1 (formerly known as Schedule "K") can be run any time by the CBO's to assist in closing (IRIS transaction ZFMTR028.)
7. Additional potential restricted and unrestricted accounts payable will be identified and sent by July 26, 2022 to each CBO for confirmation. Restricted payables should receive priority.
8. All journal entries affecting restricted accounts should be received in the Controller's Office by Monday, July 25. Indirect cost adjustments must be received by Monday, July 25. The final automated overhead run will be entered on Tuesday, August 2 closing restricted accounts.
9. All closing entries for salary and staff benefits including accruals must be received in the Controller's Office by Monday, July 25. After this date no journal entries with salary or wage GL accounts will be processed for fiscal year 2022. All unrestricted closing entries for expense and income accounts (including auxiliaries) must be received in the Controller's Office by Tuesday, August 2. The Controller's Office will attempt the final closing of this year's records by Tuesday, August 16. The final ledgers and reports for the year may be printed upon notice from the Controller.

Please contact the Controller's Office immediately at (865) 974-2493 if unusual needs or situations arise which require special handling or consideration and materially impact financial information.

### Procurement

**May 2 is the deadline for requisitions and supporting documentation to be submitted to Purchasing.** This deadline must be met for purchase orders to encumber funds by June 30.

Due to historical and expected volume this year-end, departments are encouraged to submit all procurement requests (NCJ's - both contract and requisition, requisitions and all supporting documentation) as soon as possible. Beginning on May 3, all requests will be processed in the order received and rush or expedite requests will need to be supported with justification and subject to Purchasing approval.

During the first two weeks of June, all departments must review their purchase requisitions and purchase orders that have an outstanding balance in FY2022, with special attention to those originally dated prior to 07/01/2022. The Commitments Line Items report FMRP\_RFFMEPIOX can be run with the selection variant/OUTST.PO.REQ and a Fund or Funds center selection; it lists all active purchase requisitions and orders (not all will have a balance), with opportunity to drill down to the original documents. After the department identifies obsolete requisitions and orders (those for goods or services they do not intend to receive or have already received), they must contact their campus purchasing office to close (not delete) the documents and notify the vendors.

All commitments not closed by departmental action in FY2022 will be carried forward to FY2023 by the Controller's Office; please note, there is **no** automatic "clean-up" of commitments at year-end. Commitments (requisitions and encumbrances) left open at June 30 are moved to July of the next fiscal year. Requisitions are moved by July 1. Since the new Concur travel system, business trips are no longer encumbered. Purchase orders are moved to the new fiscal year by mid-July. Any budgeted funds associated with commitments are not automatically carried forward to next fiscal year. Each campus is responsible for establishing any budget carryover procedures, and any questions related to carryover should be directed to the campus budget office.

Encumbrances are based on the document date (creation date) of the purchase order. For goods or services that will be delivered after June 30, departments must enter the requisition on or after July 1, so the purchase order will encumber next fiscal year's funds.

All PO's from the previous fiscal year are carried forward to the new fiscal year right after the deadline for entering old fiscal year invoices. Encumbrances for departmental funds reservations are carried forward on the same day as PO's.

### Reserve for Encumbrances

The Reserve for Encumbrances represents an allocation of the current fund balance equal to material outstanding purchase orders as of June 30. The only purchase orders that should be outstanding at June 30 are those for which funds are available in departmental budgets at year-end.

Chief Business Officers

April 14, 2022

Page 7

The purchase order file, after final June 30 checks have been de-obligated, will be the initial basis for the Reserve for Encumbrances. Each business officer should generate and review their outstanding purchase order list for each budget entity. After eliminating amounts representing purchase order payments which are accrued as accounts payable, the remaining purchase orders in the amount of \$2,000 or more will be used to establish the Reserve for Encumbrances.

CBO's have the option to add purchase orders less than \$2,000 to the reserve by sending an itemized list to the Controller's Office per their campus procedures for the Reserve for Encumbrances. The Controller's Office will eliminate the Reserve for Encumbrances and increase the budget entities' fund balances at the beginning of the new fiscal year.

### **Closing Remarks**

In view of the volume and diversity of transactions which must be processed and recorded during the closing process, it is essential that all Business Offices cooperate fully in the timely submission of closing information.

Please distribute this memorandum to all business personnel in your area who are involved in the year-end closing process in order that they may be aware of the target dates which have been established for the various stages of the closing process. Thank you for your cooperation.
